18th May 2015

Dear Parents

Bikeability and Learn2ride

Just a note to make you aware that the children in Year 3 and 4 this week will take part in a 'Bikeability and Learn2ride' course.

Each Lower Junior Class will take part in the lesson where they are introduced to various safety issues surrounding bike riding, **please take note of the day/class below.**

On these days the children will ride bikes, provided by the course leaders – so there is no need for children to bring their own bikes or helmets, and listen to information from the course leaders!

It is advisory that your child brings a change of trousers and footwear that would be suitable for cycling in (tracksuit and trainers) your child can change into their cycling clothes at the beginning of their session the children will be outside so please can they bring a waterproof/warm jacket as we cannot predict the weather.

The timetable for the week is:

Mrs Turner's Class on Tuesday

Miss Langridge's Class on Wednesday

Miss Lavery's Class on Thursday

If you have any further questions please do not hesitate to contact us on the details above.

Many thanks

The Lower School Team
