2<sup>nd</sup> December 2016

Dear Parent/Carer,

Parents E-Safety Workshop

We would like to invite you to an e-safety workshop on **7th December 2016 at 5.30pm to 6.30pm** at school.

e-Safety is about the protection of children whilst they are using the internet and digital technologies. This includes: risk-taking and inappropriate behaviour by children and young people; risks and inappropriate behaviour by others to children and young people; illegal activity.

Whilst we strive to empower your children with the knowledge to stay safe, it is crucial that you have a good awareness of the risks and dangers yourself.

There are some hard-hitting messages during this presentation, but we strongly believe that they are vital to ensuring the safety of your child in society today.

In order to support your attendance, we would like to offer you the opportunity that we will look after your child during the meeting so you can participate fully and be uninterrupted, this meeting is **not appropriate for children to attend**. Your child will receive lessons within school, based at their level, on this subject.

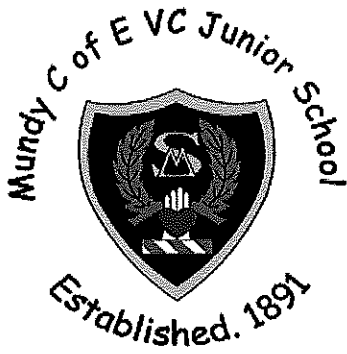

Before you attend:

There are 14 questions that should take you no longer than ten minutes to complete. The results of this survey will give us a better understanding of any risks or knowledge gaps so that we can help you further.

Thank you for taking the time and we look forward to seeing you next Wednesday.

Mr Gibbs and Miss Adair
