Dear Parent & Carers

The Fourth Horticultural & Agricultural Show

Please find attached the raffle tickets for our fourth Show in June.

As part of our show we have organized a Prize Draw with a fabulous first prize of an Experience Day (It could be a Spa day, a race around a track or even a trip to Lego-land for the family up to the value of £200) and lots of other fantastic prizes kindly provided by local businesses. We have been delighted by their support and the generosity of their donations. The reputation of the Horticultural Show has obviously had an impact and illustrates a recognition of how it supports our local community.

We are attaching the 'Prize Draw Tickets' to this letter; it would be really appreciated if you could support school and the show by selling as many tickets as you can. If you need any more due to your excellent selling technique! Just ask the office for extra books. Any spares can be returned to school to be sold on the day.

We look forward to seeing as many of you as possible on the 17th June (12.00pm – 4.00pm). If you are looking to enter in the classes please just fill in one of the entry forms in the schedules and send it back to the office. There is going to be so much to do and see at this year's show so remember to bring your friends and family and let us see if we can exceed the estimated attendance of over 1,000 people at last years' show.

Many Thanks

Kelvin Gibbs
Headteacher
