12th September

Dear Parents/Carers

CROSSING PATROL CONCERN

We need to let you know that there will be no Crossing Patrol for Lockton Avenue again this week. Whilst we are not responsible for the Crossing Patrol, the Road Safety Team who are, appreciate our concern and have explained that they are lacking the personnel to cover. We suggested that maybe someone from within our school community might apply to become a relief crossing patrol officer. If you are interested or you know someone who would be, the contact is Beverley Robinson on 07796997573.

We are hoping that Mrs Stone will return soon but in the meantime please continue to take extra care crossing your children and park considerately for the sake of our pupils and our neighbours.

Many thanks

Yours sincerely
Mr K Gibbs
Headteacher
