Dear Parents/Carers

Parents' Evening 27th June, 4.00pm – 7.30pm (informal)

You should have received your child's school report and next week's parents' evening (Wednesday 27th June, 4.00pm – 7.30pm) is an opportunity for you to discuss the report with the class teacher, if you wish. We do not use a formal interview approach with appointments for this evening. Obviously, if there is something confidential or will take longer than a quick five-minute chat, we are happy to arrange a meeting on another occasion. More often than not the reports confirm what you already know and shouldn't contain any surprises. Having read them all I am delighted with how well our children are doing, they are a credit to both yourselves and the school. As we always say, if there is something that concerns you or you need more information on, never wait for a parents' evening. The vast majority of worries are easily resolved and it is always best to deal with them early before they can potentially become more of a problem.

Horticultural and Agricultural Show Feedback

The children and staff are filling in a quick questionnaire about the Horticultural and Agricultural Show and we thought that any feedback from you would also be helpful. So at Parents' Evening we will be making the questionnaire available and would really appreciate it if you could spare the time to fill them in for us.

Yours sincerely

Kelvin Gibbs
