

Mundy CofE Juniors - Year 3 & 4 Home Learning - Spring 1 2025-26

TO DO WEEKLY: Please tick EACH time you complete a task	5th January	12 th January	19 th January	26 th January	2 nd February	9 th February	Our SCHOOL HOME LEARNING WEBPAGE:	
Reading to an adult Fill in your Bookmark Book Log							https://www.mundyjunior.org/home-learning-reading-spellings-and-times-tables/ Open the Mundy Junior home learning webpage and look at the Y3 & 4 Home Learning Zone (at the bottom of the webpage) to view any of the resources or 'weblinks' that you need to complete your home learning. You can also find lots of other useful information on the Mundy Junior home learning webpage. 	
Spelling Practise Super Spelling Booklet Set of 5 words								
Please look at the following activities and complete as many as you can in your Home Learning book (you can also make a note in your book whenever you have practised too) Tick each time you complete a task 😊								
English				Tick	Maths			Tick
Our theme over the Spring term is all about Discovering Dragons! Powerful, mystical and mysterious creatures they are, but have you ever wondered what it would be like to keep one? Ever thought about what you'd need to keep one? Or maybe you'd like to know how to train one? In that case, use the HL How to Train your Dragon sheet to unpick the ins and outs of dragon taming/ training. Adults, answers are attached.					Practice your times tables on Times Tables Rock Stars (TTRS): ttrockstars.com In your Home Learning book , note when you practiced, which tables/games you played, and your score. There are 5 game modes—can you improve your 'Rock Status'? For more info, check the TTRS Parent Guide.			
Ever wanted to create your own mythical, magical dragon? Then use the HL Design a Dragon sheet to create your own, one-of-a-kind dragon. There's space for drawing an image as well as writing down some basic information about your dragon.					This term, we are going to look at Measuring in Maths. The first activity (Measuring Activities) explores estimating and measuring. First, choose objects at home, guess their lengths in centimetres, then measure them accurately and compare your results. Next, use a ruler to draw lines that match the given lengths in centimetres and millimetres.			
Dragons have a rich history in many different cultures. Use the HL Dragon Comprehension to find out more about the wonderful history's connected to the magical beasts. Answer the questions on the second page and adults, the answers are on the final page.					We're also going to be exploring division this term. The HL Division sheet has various questions based on what we're going to be looking at in class. Have a go at answering some of the questions that rise in difficulty as you move through it. Give yourself a challenge!
