

Research Your Own Country

Objective: To know how to collect information from a sources

1. Choose a Country

Choose any country you're interested in (for example: **France, Australia, Egypt, or Canada**).

Use **books**, the **internet**, or **atlases** to fill in this table neatly:

Subheading	Notes / Key Facts
Location – Which continent is it in? What countries or seas are nearby?	
Capital City – What is the capital?	
Population – How many people live there (roughly)?	
Climate – What is the weather like?	
Food – What do people often eat there?	
Landmarks – Famous places or natural features	
Interesting Facts – Something surprising or unique!	

Challenge:

Draw or print a flag of your country to decorate your page.

💡 Tip: Write in **short notes**, not full sentences. This is about being able to get information **quickly**!
