

What is a Non-Chronological Report?

1. Read this example report carefully:

Japan, a report

Introduction

Japan is an island country in Asia. It is made up of many islands and has mountains, forests and busy cities.

Climate

Japan has four seasons. Winters can be cold and snowy, especially in the north, while summers are warm and humid.

Food

Japanese people enjoy rice, noodles and fresh fish. Sushi and ramen are two popular dishes.

Landmarks

Famous landmarks include Mount Fuji and the city of Tokyo, which has tall buildings and bright lights.

2. Spot the features!

Colour, underline, or list where you can see:

- ☒ A title
- ☒ Subheadings
- ☒ Facts (not opinions)
- ☒ Present tense verbs (*is / has / are*)
- ☒ Technical words (*continent, climate, population*)

3. Quick Challenge:

Use the space below to write down any words you didn't understand from the text above. Use the internet or a dictionary to write down the meanings to help you understand it better.
