Our topic this term is the Through the Ages, and exploring Stone Age England is part of our adventure. Could you, using information such as library books or the internet (remember to ask an adult for permission and help), create a fact file about an animal from the stone age that is now extinct . Examples include sabretooth tigers, woolly mammoths and the giant ground sloth. You can use the HL Stone Age Animals sheet to help you.					Practice your times tables on Times Tables Rock Stars (TTRS): trockstars.com In your Home Learning book , note when you practiced, which tables/games you played, and your score. There are 5 game modes—can you improve your 'Rock Status'? For more info, check the TTRS Parent Guide. Resource: Multiplication Tables Posters.			
Complete the HL Stone Age Reading Comprehension . Once done, a parent can mark this using the HL Stone Age Comprehension ANSWERS .					Test your knowledge of our new maths using our HL Stone Age Maths activity sheet. Grown ups can use the HL Stone Age Maths ANSWERS to mark.			
Time to use your imagination and write a story! Keeping our half term theme of Through the Ages, can you create a story based on our topic! You can create it from scratch, or use the HL Creative Writing Stone Age Story help sheet.					Try and have a go at answering some of the questions from our new White Rose Scheme, these questions are based around learning place value in the thousands and partitioning. Try the HL White Rose Partitioning and the HL White Rose Learning 1000s
