Key Stage Two Assessments 2026 for our Year 6 Cohort

We are incredibly proud of our Year 6 pupils and their achievements in the 2026 Key Stage 2 assessments. Their hard work, determination and positive attitude to learning have led to strong outcomes across the curriculum.

Our 2026 Results

- **Reading:** 86.6% achieved the expected standard or above.
- **Mathematics:** 82.2% achieved the expected standard or above.
- **Grammar, Punctuation and Spelling (GPS):** 80% achieved the expected standard or above.
- **Writing:** 64.4% achieved the expected standard or above.
- **Reading, Writing and Mathematics Combined:** 57.8% achieved the expected standard in all three subjects.

Strong Progress

We are particularly pleased that outcomes have improved significantly since 2025. Reading, Mathematics, GPS and the combined measure all showed substantial increases, reflecting the dedication of our pupils, staff and families.

Beyond the Results

While we are delighted with these outcomes, we are most proud of the confident, resilient and caring young people our pupils have become during their time at school. We know they are well prepared for the next stage of their education and we wish them every success as they move on to secondary school.

Thank you to our pupils, staff, governors and families for their continued support in helping every child to flourish.
