

Useful Maths Websites 2022 Resource Ideas to Support and Challenge Your Child

Useful Maths Websites 2022 Resource Ideas to Support and Challenge Your Child. Below is a list of websites that will hopefully give your children extra support and challenge them while following the Maths curriculum. Please keep asking your children what they are learning in class so that you may be able to select the most appropriate tasks.

<https://www.activelearnprimary.co.uk>

Active Learn is the MJS online resource that we use within school, each child has their own login for this.

<https://ttrockstars.com/>

TTRockstars is an online platform that makes learning times tables fun. All children will have their own account to access this website.

<https://www.bbc.co.uk/bitesize/subjects/z826n39>

BBC Bitesize contains several games, tasks and explanation videos to assist in your child's learning process.

<https://www.topmarks.co.uk/>

Topmarks contains several games and activities to help improve your child's fluency in a fun way. These activities can be easily navigated using the buttons on the top of the home page.

<https://www.mathsisfun.com/>

Maths is Fun has many useful explanations and tasks to help your child to increase their understanding of different areas of the maths curriculum.

<https://www.ncetm.org.uk/media/hpihrj3s/national-curriculum-glossary.pdf>

NCETM Glossary contains explanations of all the mathematical language that your child will encounter during their time at Mundy Junior School.

<https://mathsstarters.net/numoftheday>

Maths Starters contains many quick and fun tasks to get your child's mathematical brain warmed up and ready to learn.
