School name:	Mundy C of E VC Junior School
School address:	Lockton Avenue, Heanor, DE75 7EQ
Lead SLT contact name:	Mr. K. Gibbs - Head teacher
Contact numbers:	01773 764493
Contact email if available:	info@mundy.derbyshire.sch.uk
LEA/School DCSF reference No.	830/3050

About Mundy Junior School

Mundy Junior School is a junior school in Heanor, Derbyshire. There are 189 children on roll aged 7-11, 13.23% of which are non-white British, with families from a range of socio-economic groups, 26% of which are entitled to FSM.

We currently have 35 children on the SEN register, including 4 children with Statements of Special Needs. Three of the children on the SEN register have diagnosed mobility issues, possible need of wheelchair on excursions.

The majority of children live within walking distance of the school, predominately within three postcodes.

The school gates, on Lockton Avenue open at 7.15am and close at 9.00am, by which time all the children are expected to be school. School ends at 3.30pm and the gates are closed by 3.50pm.

Lockton Avenue is a residential street, also with a sharp corner. Although both Lockton avenue and Coppice road are relatively quiet of traffic outside the home time hour, and they are heavily populated by parked cars of both residents and parents picking up and dropping, contributing to poor lines of vision.

We have a crossing lady who crosses both our children and Coppice children, 8.30am-9am and 3.15pm - 3.45pm

The footprint of the school is quite large, with one large playground, and a large field and is located in an area of high-density housing.

There is sufficient parking for current staff, as well as 40 slots for scooters and 5 bike slots.

Staff details at our school

Number of teachers	8
Number of non-teaching staff	25
<u>Total number of employees at school</u>	<u>33</u>

Total number of staff car parking space	22
Total number of disabled parking space	2
Total number of cycle racks for staff	5
Total number of scooter racks for children	40
<u>Total number of spaces for staff</u>	<u>26</u>

Why do we have a travel plan?

As well as academic success we are committed to encouraging a positive attitude regarding environmental and health issues. Our school travel plan encompasses both these issues, promoting physical exercise which is beneficial to health as well as reducing car dependency which is beneficial to the environment. Through reducing congestion around our new school we hope to build good relationships with our local community and help make the roads surrounding our school safer.

Through education and increased opportunities to reduce reliance on the car we believe that individuals will benefit from improved health and wellbeing and that our children will be safer on the roads.

The wider implications of the school travel plan aim to fulfil national and local objectives, namely:

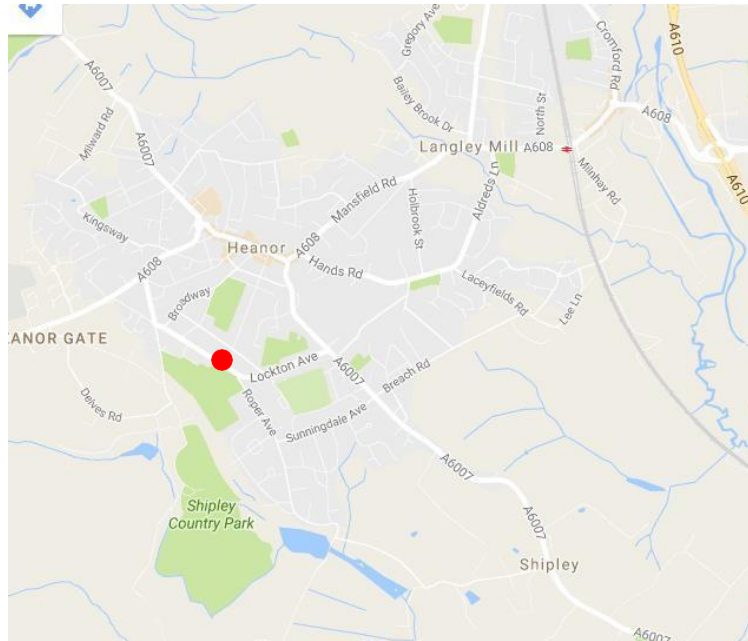

1. the encouragement of other forms of transport, rather than the car, for school journeys;
2. Creating safer journeys to school.
3. To encourage a healthy attitude and walking culture amongst the school community that will lead to a healthier life style and the associated environmental benefits.
4. To foster children's and parents' understanding of travel and road safety issues, to make them aware of the issues, particularly with regard to the school journey.
5. To encourage children to take what they have learnt about travel choices and road safety issues on the school journey and adopt them in other areas of their lives, now and in the future.

National Trend for travelling to/from school (2014 Travel to School DfT)		
	5-10yrs	11-16yrs
Walk	46%	38%
Cycle	2%	3%
Car	46%	23%
Bus	5%	29%
Rail	-	3%
Other	2%	1%

Activities over the next 12 months linked to school travel plan

Type	Date	Participated
Walk to school week	May 2018	All the school
Bikability	Annually	Year 5
Walk to school week	October 2018	All the school
School Induction day	July	Highlighted travel modes to school and sustainable option for parents
School Prospectus	Annually	This includes a map of walk ways to school to new parents and children
Scooter Training	Annually	Provided by DCC to year 3 & 4.

Location of Mundy Junior School, Lockton Avenue, Heanor

Consultation with the school and community

In developing our Travel Plan, Mundy Junior School has consulted with a wide body of interested parties.

- **Children** were involved in the "Hands Up" survey in the classroom.
- **Parents and children** were involved with the "School Travel Plan Questionnaire" survey in January 2018.
- Consultations have taken place with the **Head teacher and the Senior Leadership Team** for their views on the Travel Plan and ways of making the pupils' journeys safer.
- **The Governors** discussed the contents of the Travel Plan as part of their Premises Committee responsibilities, and at full Governing Body meeting. Travel Plan.
- Discussions were initiated with the **Site Services Officer and the School Business** and the School.
- **The School Council** were approached for their views on road safety around school.
- The overall plan has been discussed at a **staff** meeting.

Problems identified in last School Travel Plan document:

Problem	Is this still an issue? Yes/No
Cycle into school	Yes need Safe cycle route
Parking outside school	Still an issue
Some parking on zigzag at end of day	Partially - school personnel /newsletters ask parents not do so, but still takes place on occasion.

Current in-school provision

- Daily breakfast club 7.30-8.50am
- **Weekly after-school clubs:**
 - Football
 - Netball
 - Athletics
 - Basketball
 - Chess & board games
 - Film club
 - Wii Club
 - Table tennis

- **Out of school hours**
 - Tae Kwondo
 - Dancing
 - Performance company
 - Gardening
- **Weekly swimming for all children**
- **Participation in school team sports tournaments**
- **Annual bikeability training with Year 5**
- **Annual sports day**
- **Emergency Services for Year 6 in Summer term**
 - Street safety
 - Cycling safety
 - Railway awareness
- **Healthy School Status**
- **Eco-schools award Green flag 2016 (5th)**
- **Horticultural Show held in June annually.**

Survey Analysis

Children's Hands Up Survey

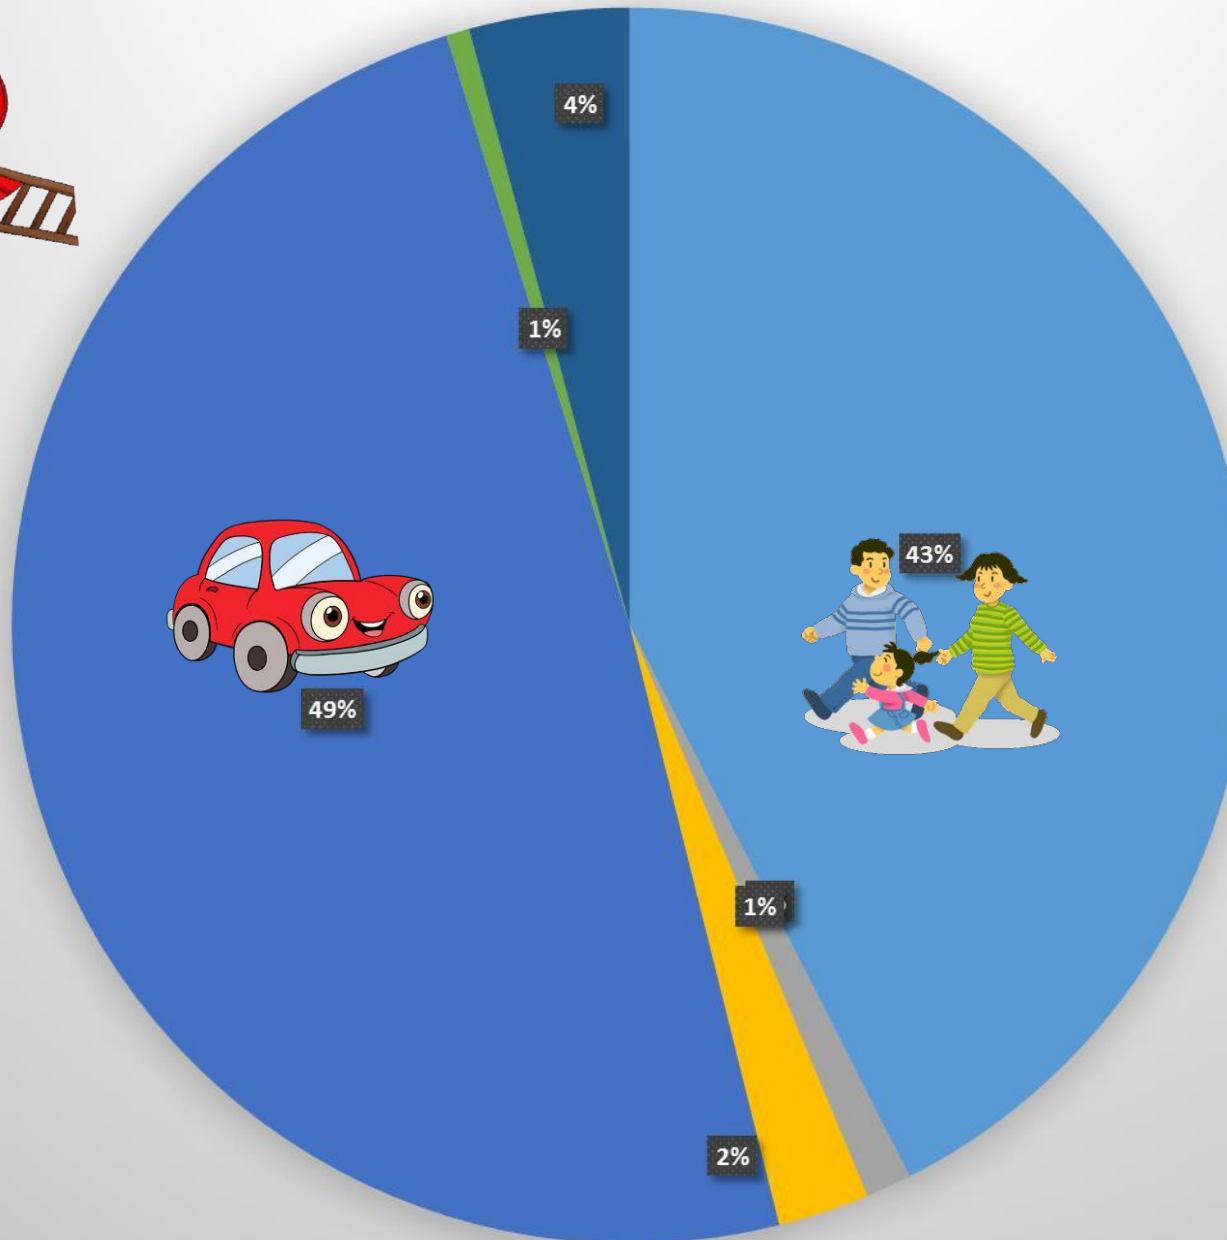

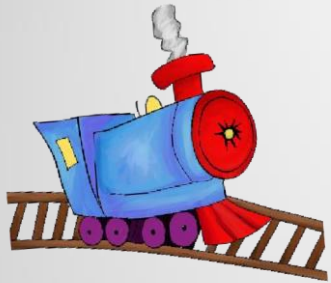

Date of survey	22 nd January 2018
----------------	-------------------------------

	How did you travel to school today?		How did you travel home from school today?		Ideally, how would you like to travel to and from school?	
	No.	%	No.	%	No.	%
Walk	71	40.1	68	38.41	56	38.62
Rail	-	-	-	-	-	-
Bus	2	1.1	-	-	3	2.06
Other	4	2.25	3	1.69	26	17.93
Car/Van	82	46.3	99	55.93	16	11.03
Cycle	1	0.56	1	0.56	28	19.31
Car share	7	3.95	6	3.38	16	11.03
Total	177	100%	177	100%	145	100%

This survey was carried out in January 2018 and reflects the results on this day alone.

The children were asked how they travelled to and from school, and how they would ideally like to travel, given the choice. There were unusual choices for alternative travel to school with motor bikes, quads and Segway's being asked for.

100	0	100

How to get to Mundy C of E VC Junior School

Lockton Ave
Heanor
DE75 7EQ

If you arrive by car,
please **DO NOT** park
near or on the yellow
zig zag lines or in front of
the car park gate.

Please park away from
school and walk from
there.

Wilmot Street

our school

If you arrive by car,
why not share your
journey to help reduce the
number of cars on the
road and save on fuel
costs too?

Stainsby Avenue

Roper Avenue

*If scooting to school saves a car journey why not think
about travelling this way?*

We have secure scooter storage.
Look out for people and vehicles on your journey.
Please do not ride your bike or scooter around the
playground as we don't want anyone to get knocked over!

Trinity Way

Please Travel Smart on your
journey to school to help reduce
traffic congestion and to improve
safety for our children.

If you can - please walk to school.
Walking is a great way to keep fit
and it helps to keep the school
gates free of cars.
This makes it safer for children, it's
also good for our neighbours and
the environment.
It also helps to reduce congestion
and the chances of accidents
around the school.

Ilkeston Road

Lockton Avenue

There are bus routes
around school.

Objectives and targets

Referring specifically to the targets of the original school travel plan, please indicate what progress has been made and highlight what stage each objective and target is at.

- RED: No progress - target in danger of not being met
- AMBER: Making steady progress towards target
- GREEN: Targets met

Existing action plan progress for previous year including objectives and targets set out below.

Objectives	Targets	Action needed	When	Who
Reduce car use	Encourage walking to school	Decide on initiatives/encouragement to increase numbers of walkers - Walking Bus? Healthy living week?	Ongoing	Headteacher - whole school initiative
	Cycle route	Problematical - We have repeatedly petitioned DCC but still nothing for coming.	Ongoing - seeking solution	Premises Committee PTA?
Improve safety at school entrances		Ongoing - school staff and other communication with parents and carers continue to discourage drivers from parking on zigzags	Ongoing	Headteacher SLT

Improved street safety measures for cyclists and pedestrians	Improve street lighting in winter months.	Some lighting replaced by LA with more efficient lighting, school now also has exterior lighting on sensors to improve visibility.- no further action.	Every year	Headteacher SLT Street Environment /LA
	Raise children's awareness of road safety	Whole school assembly on road safety	Every year	Headteacher PSHE Co-ordinator

Action Plan January 2018

Objectives and Targets	Steps/actions needed	Date by which the objectives must be completed	Who is responsible? Must be named person or group)
Safer crossing for Lockton Avenue	- Road safety awareness training. - Gather data on crossing usage. - Promote reduction in numbers of parked cars - Improve signage - Improve yellow zig zags outside school	2018/2019	Headteacher SLT Governors School Council
Encouraging children and families to walk / cycle to school as part of overall Healthy School initiatives	- Healthy Living - Planned walks in school time to encourage use of vicinity - Shipley Park - Cycle proficiency tests for Yr5 children - encourage general increase in cycling for health and leisure and cycle to secondary school where possible - Annual road safety training for all children	July 2018	PSHE Co-ordinator Headteacher SLT Premises Committee
Provide annual road safety training for all children	- Practice walks in street with junior - Source assembly material and performances - Include in PSHE curriculum - Increase children's confidence in the street	July 2018	Headteacher PSHE Co-ordinator
Continue lobby for safe cycling route.	- Lobby DCC - Suggest routes	July 2018	Headmaster SLT
Improve cleanliness of surrounding streets	- Contact the LA regarding the dog waste - Increase children's awareness of associated health risks - Increase signage	July 2018	PSHE Co-ordinator SLT
