

Eco-Schools Action Plan 2021-2022

Eco-Schools Topic 1 Energy:	Action(s): - To create a poster to remind teachers to switch off their lights, computers and screens when they leave for lunch and at home time. - To create an e newsletter with how to save energy and recycle.	How long will it take? To plan at next meeting. As we are still split. Year 3/4 to organise poster. Year 5/6 to write and publish e newsletter. 4 weeks	How will we monitor progress? Results of competition and publish of e newsletter.
Aim: To create more awareness of the use of energy both in school and at home.		Who is responsible? ECO C.A.T.s and Environmental Ministers from School Parliament. ECO Leader to check and publish e newsletter on website.	Evaluation:
Eco-Schools Topic 2 Healthy Living:	Action(s): - Create a healthy recipe book. - To ask staff and children around school for a recipe for their favourite healthy treat. - To put together and publish (look at both electronic and paper) - To inquire about selling it for funds to regenerate wildlife area.	How long will it take? To first ask for recipes and give a deadline. Ready for Autumn term for distribution.	How will we monitor progress? Resulting recipe book
Aim: To encourage healthy eating in our community.		Who is responsible? E.C.O C.A.T.s, members of staff who give recipes. ECO lead to print/publish.	Evaluation:
Eco-Schools Topic 3 Litter:	Action(s): - Have some more litter bins around school. To source and look at funding. - Write to AVBC about litter and dog mess down Beech Walk. - Create posters asking people not to litter or let dog's foul. - Do an outer perimeter litter pick. To plan and action.	How long will it take? By end of Autumn term	How will we monitor progress? Progress published on digital notice-board
Aim: To improve our ability to keep the school and immediate area litter free.		Who is responsible? ECO C.A.T.s and ministers.	Evaluation:
