

ECO Actions for 2022

Energy:

- To create a poster to remind teachers to switch off their lights, computers and screens when they leave for lunch and at home time. **Done**
- To create an e newsletter with how to save energy and recycle.

Healthy Living:

- Create a healthy recipe book.

Litter:

- Have some more litter bins around school.
- Write to AVBC about litter and dog mess down Beech Walk.
- Create posters asking people not to litter or let dog's foul. **Done**
- Do an outer perimeter litter pick. **Done**

Marine:

- Talk to school cleaners about choosing more environmentally friendly products. **Done**

School Grounds:

- Ask for children's suggestions on how we can environmentally improve the school grounds.
- Grow plants for each classroom. **Done**

Transport:

- Reintroduce Scoot to School **Done**

Waste:

- Have a book swap.
- Look at using the old plastic toy recycling. **Done**
- Use less paper to print lessons on and write it in our books. **Ongoing**
