Click Enrol and refer to letter

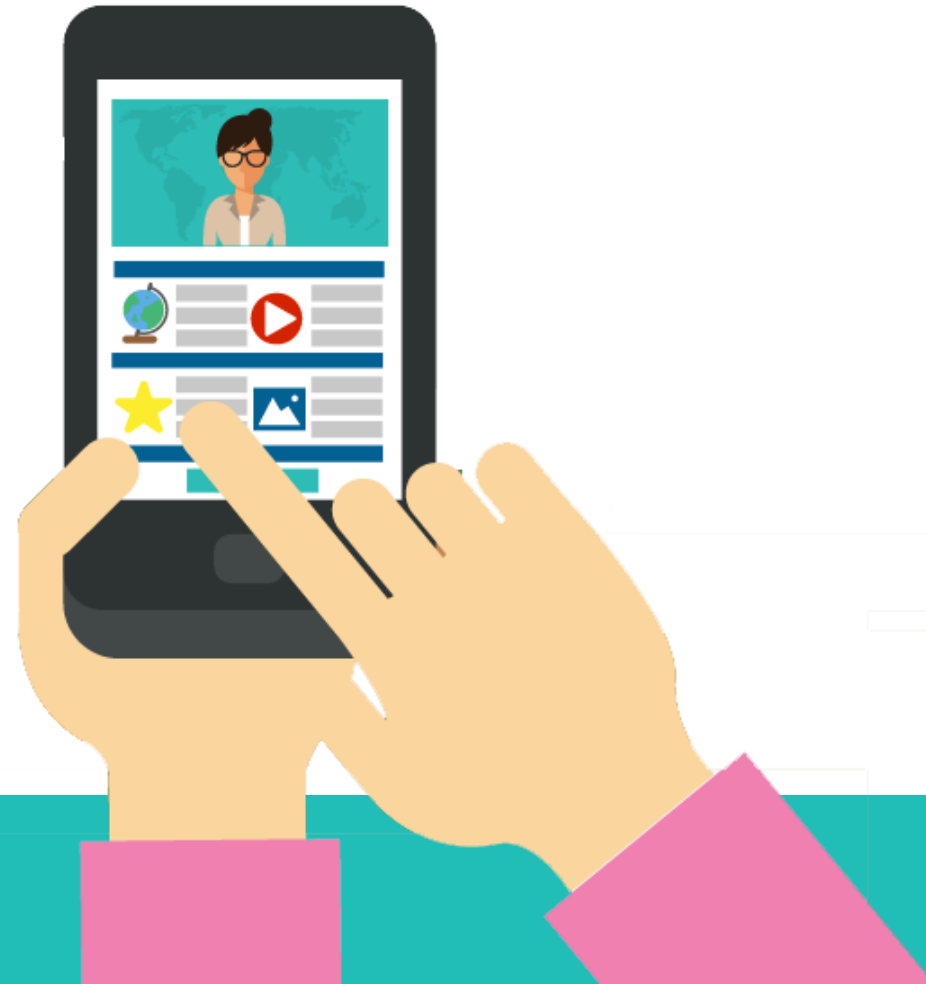

Main Features

In Summary

Everything about your child's school in a simple, secure and easy to use App.

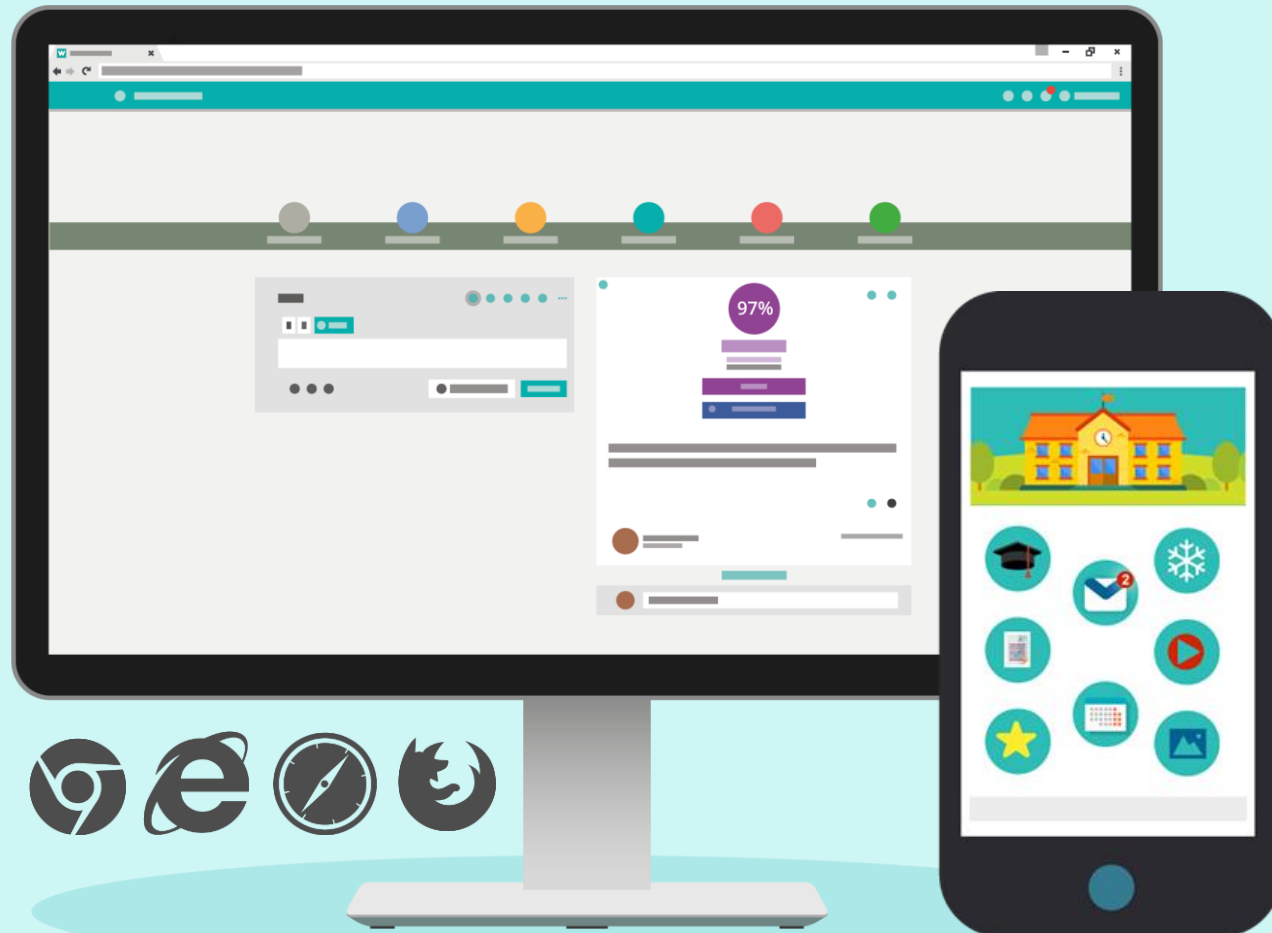

- Newsfeed
- Notices
- Calendar
- Targeted Messaging (two-way)
- Digital Library
- Resource Hub
- Parent Portal

Main Features

How can I access the system?

“ No smart phone – NO PROBLEM ”

All of this can be accessed via our online web portal as well as our App

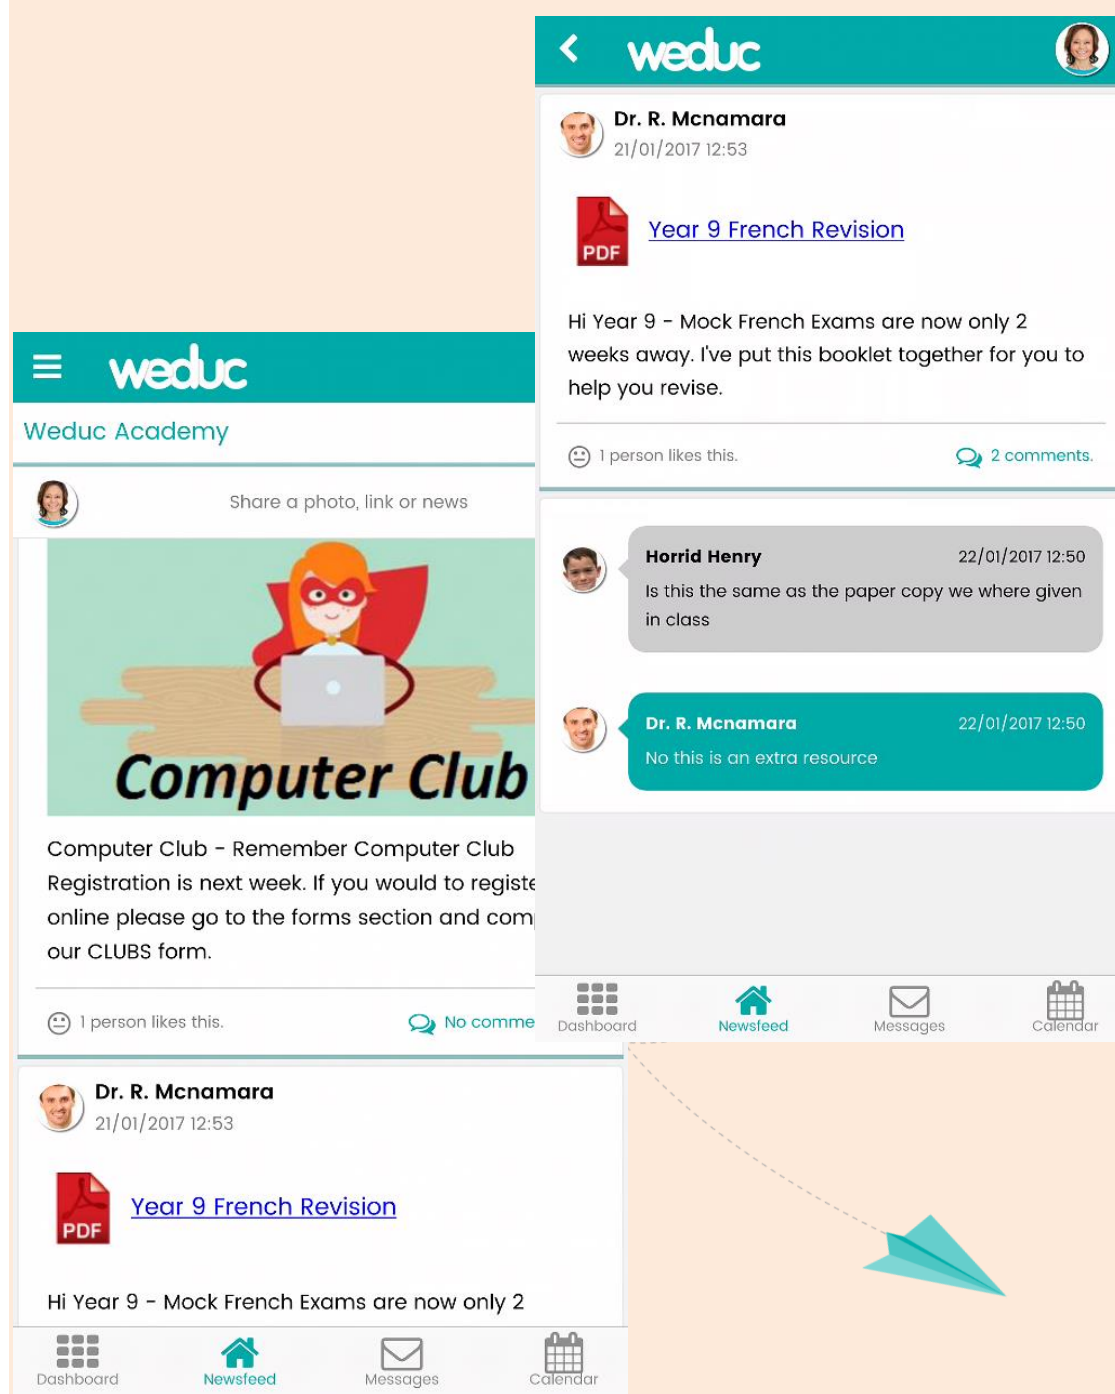

Main Features

Newsfeed...

Your very own social media-style community that allows you to follow your child's learning and view any pictures, videos or posts relevant to your child

“Parents can see ‘class happenings’ around their child with a Social Media Feel”

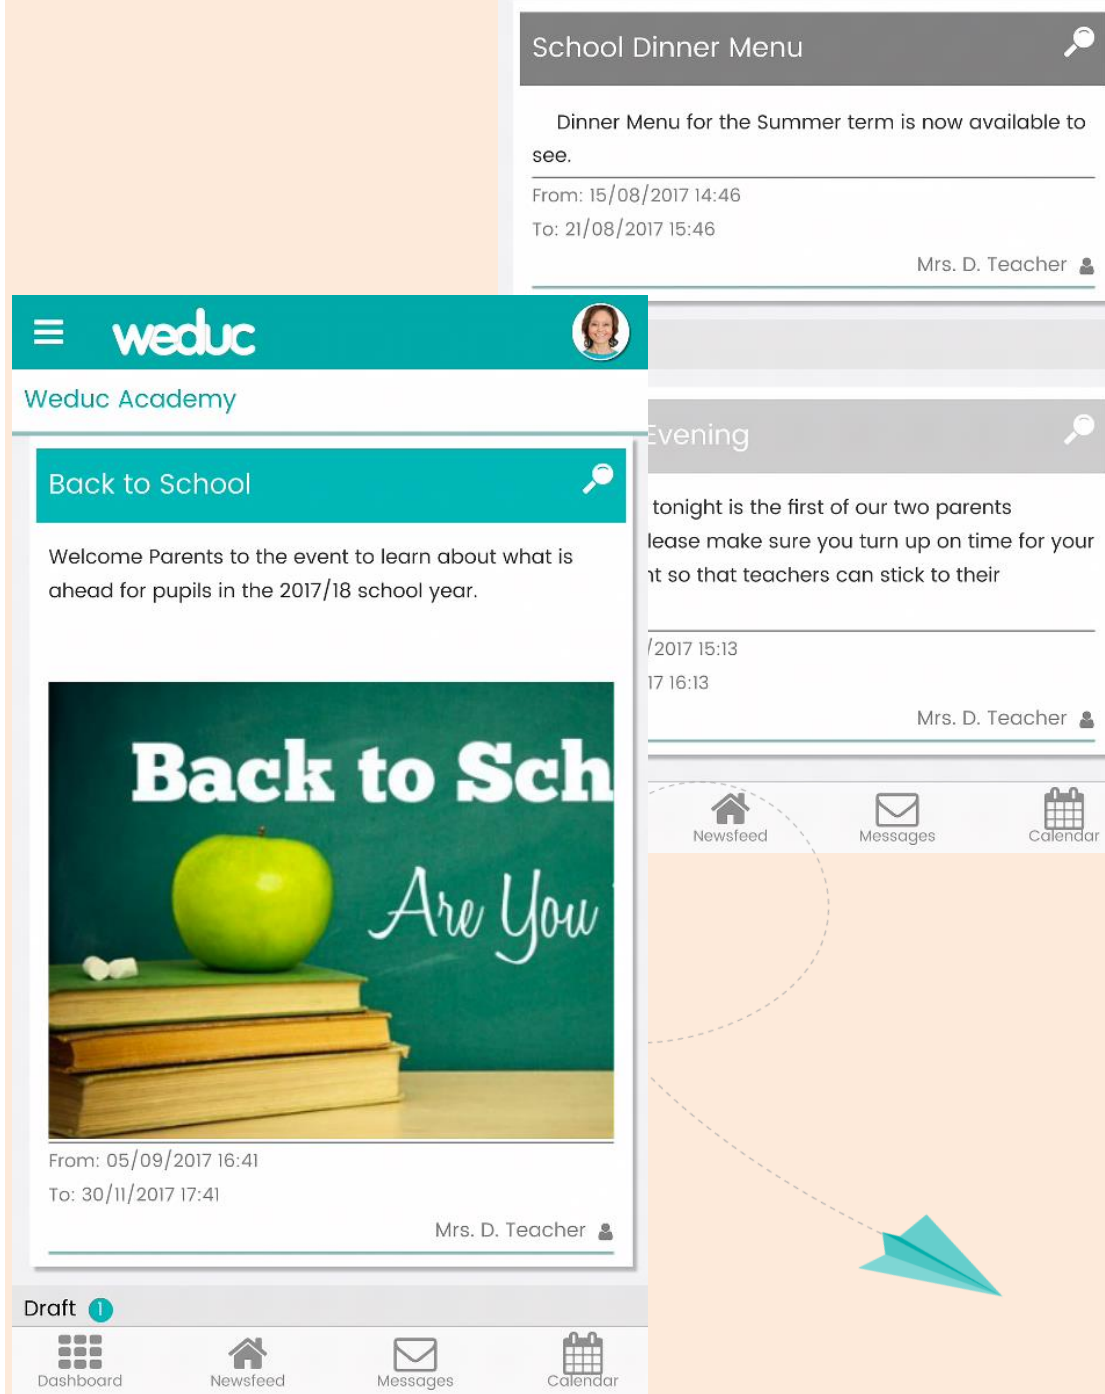

Main Features

Notices...

Never forget that costume for World Book day or that upcoming school trip. All your school updates & reminders in one place, ensuring you never miss key information.

“ See important information, Receive push reminders, See everything in one place ”

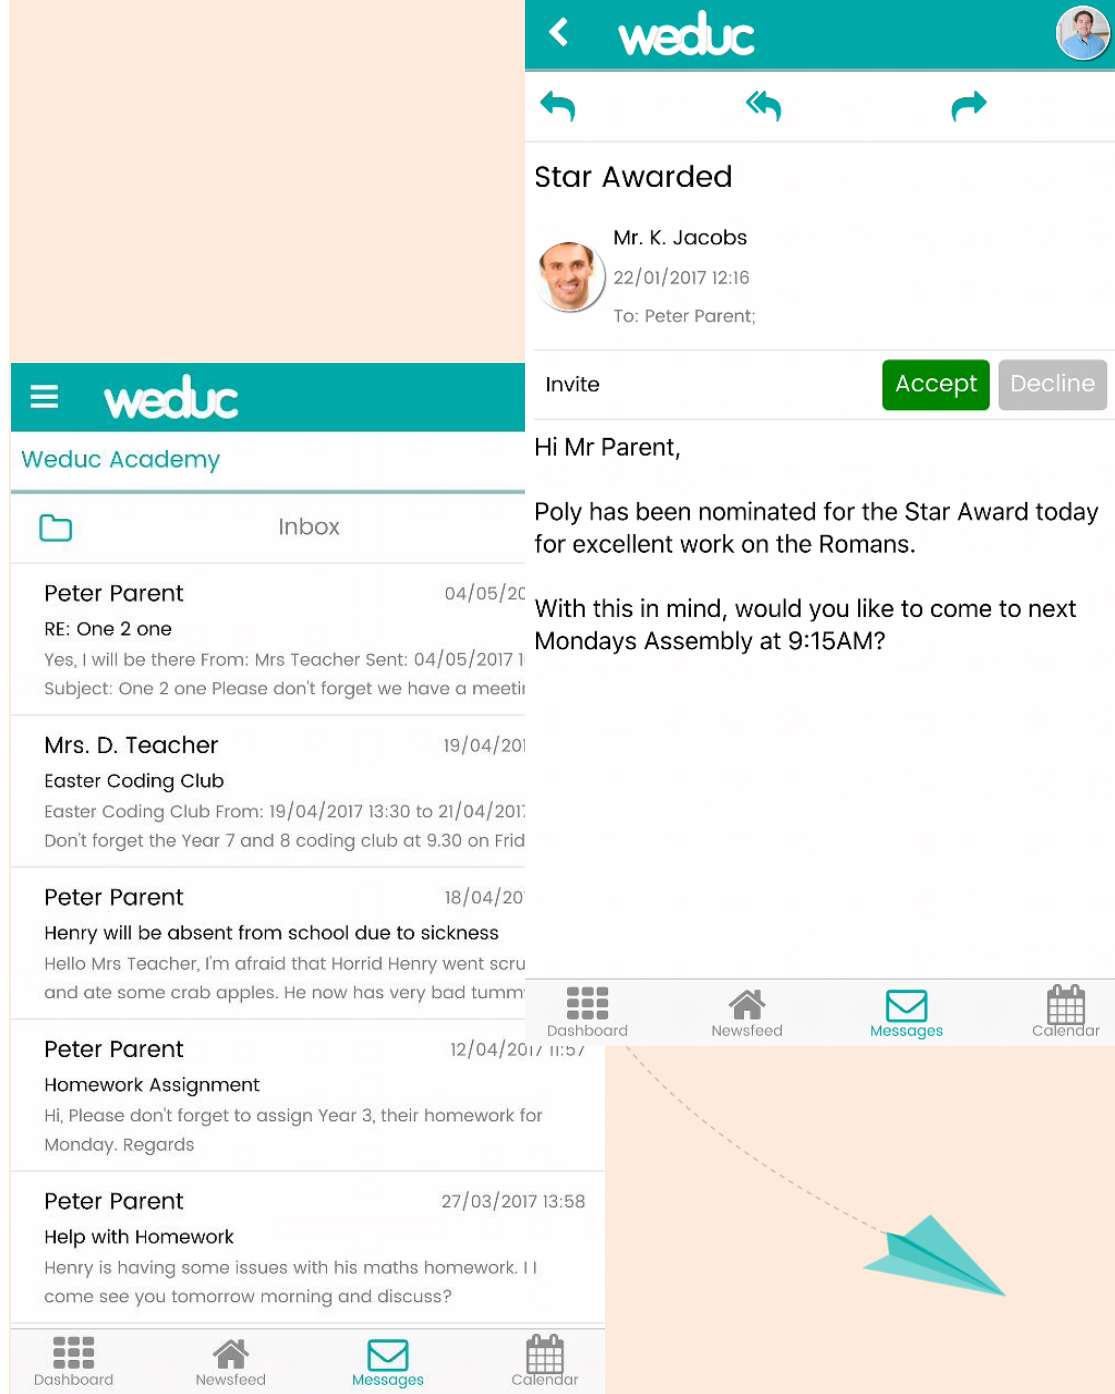

Main Features

Targeted Messaging...

View all school communications such as push messages, emails, texts & notifications in one secure location.

“Parents get the option to message back the school and complete permission slips digitally”

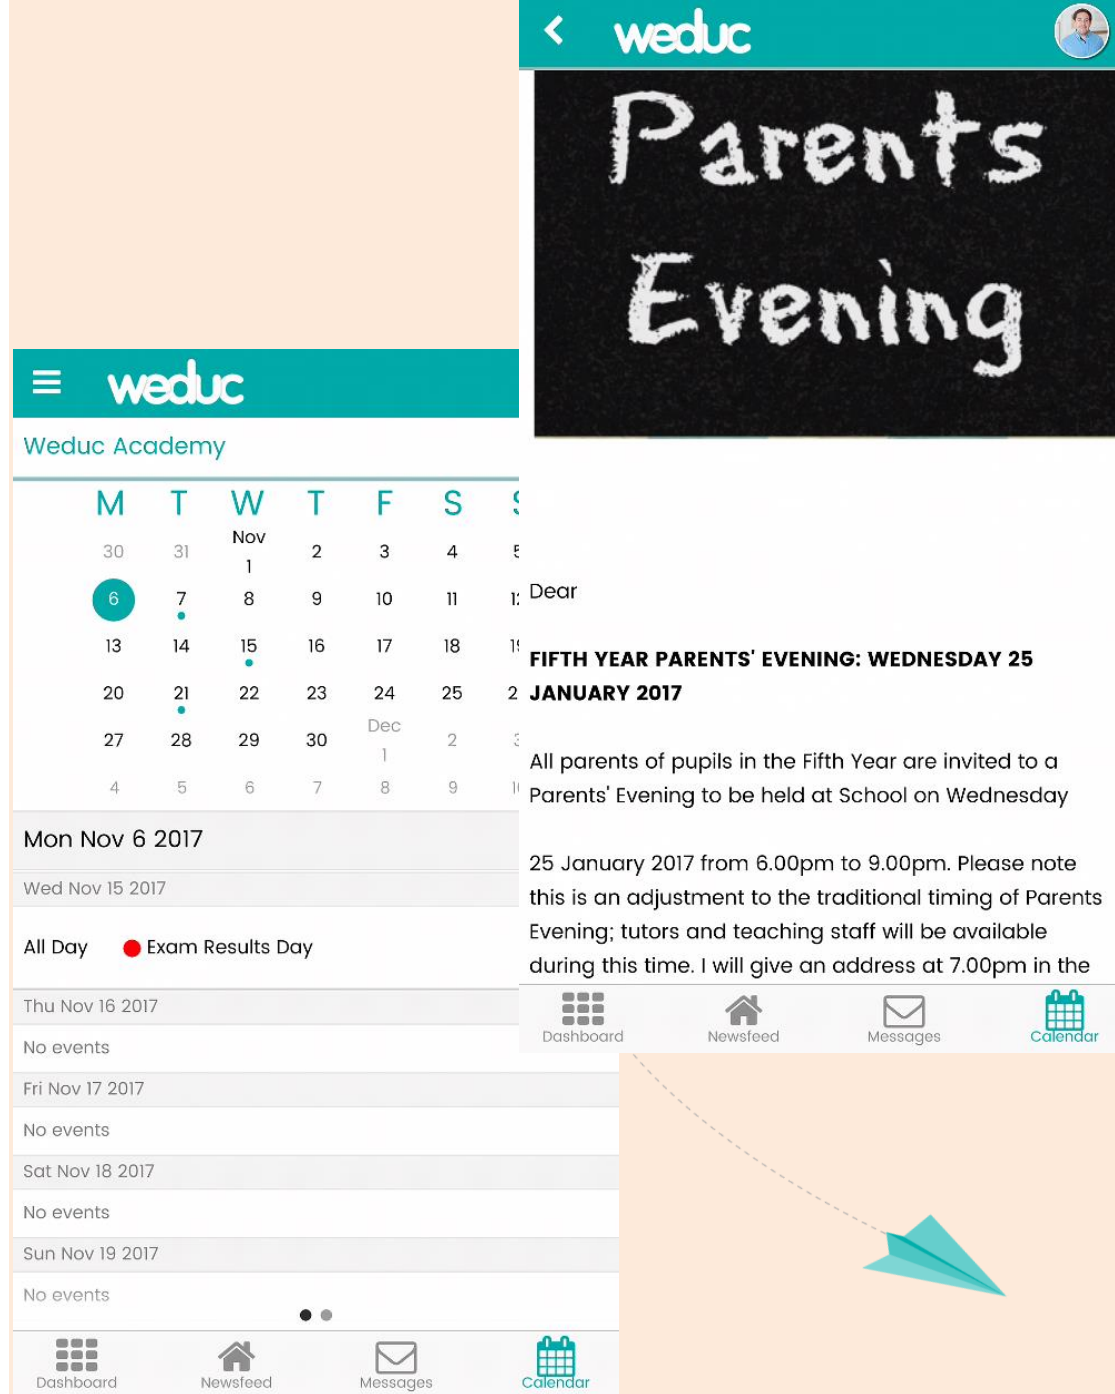

Main Features

Calendar...

Never miss a key moment in your child's school life, such as a parent evening or a class assembly. View all events relevant to your child in one simple to access calendar.

“Limit conflict and confusion with full details about events right at your finger tips”

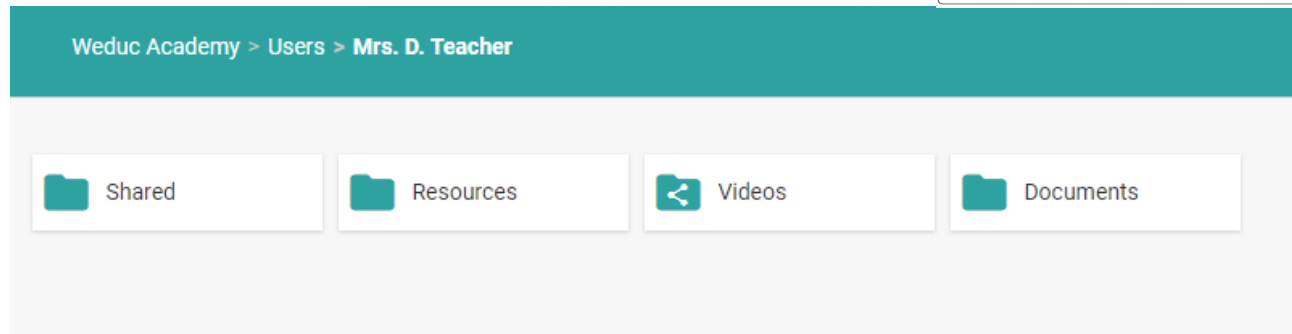

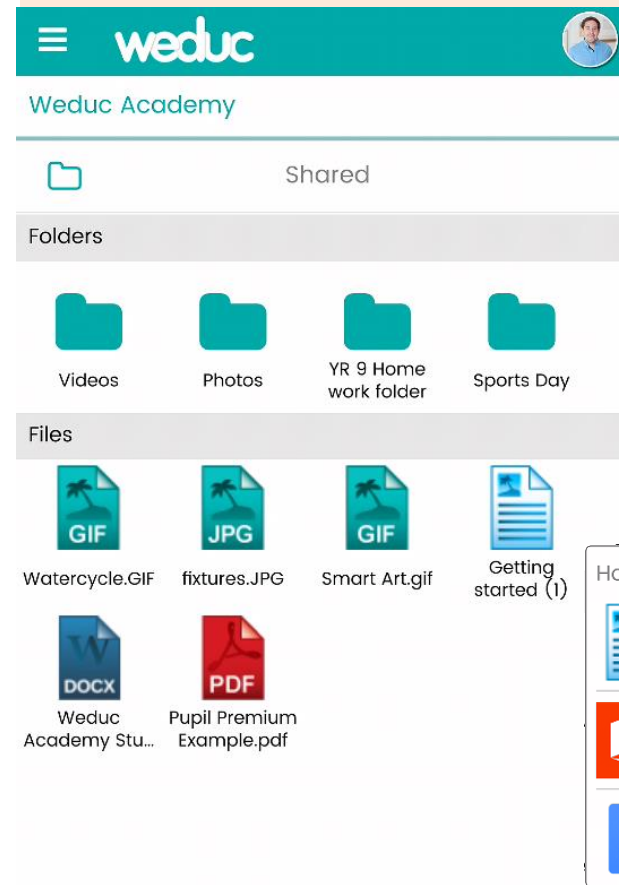

Main Features

Digital Library...

Want to support your child with their education but don't know how to or what they should be learning? Easily view any digital files such as homework documents & related learning resources.

“Open up conversations with your child around their learning.”

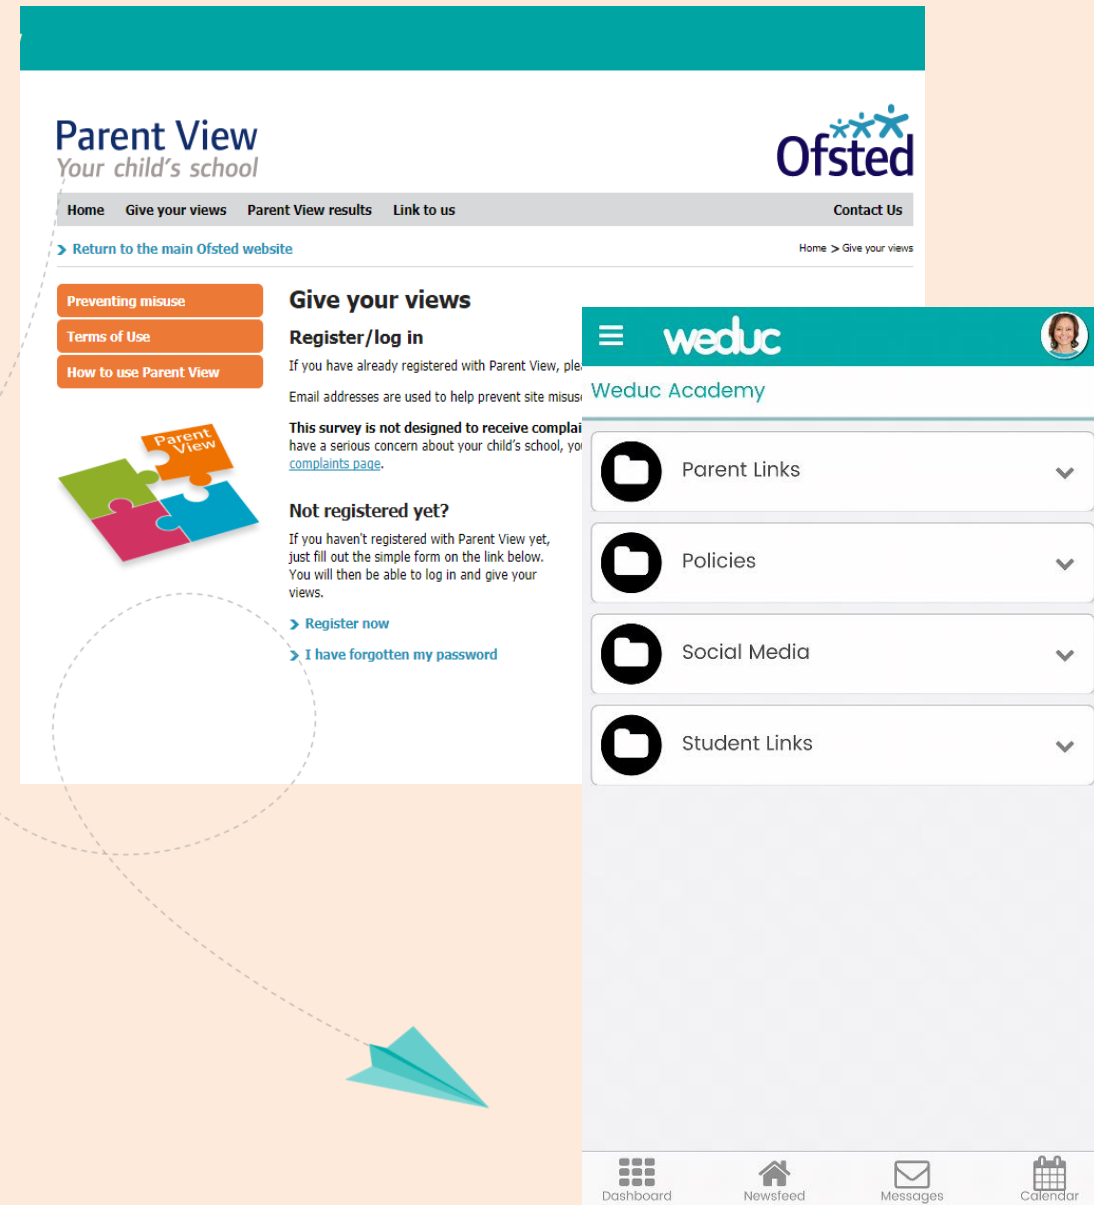

Main Features

The Hub...

Forgotten the name of that important website? Need to view the school's policy on uniform?

Easily access useful school documents, policies, & school resources all in one central hub.

“All your school links in one place. No more searching your child's book bag for that slip of paper”

Main Features

Parent Portal...

Want to check your child's progress in school?

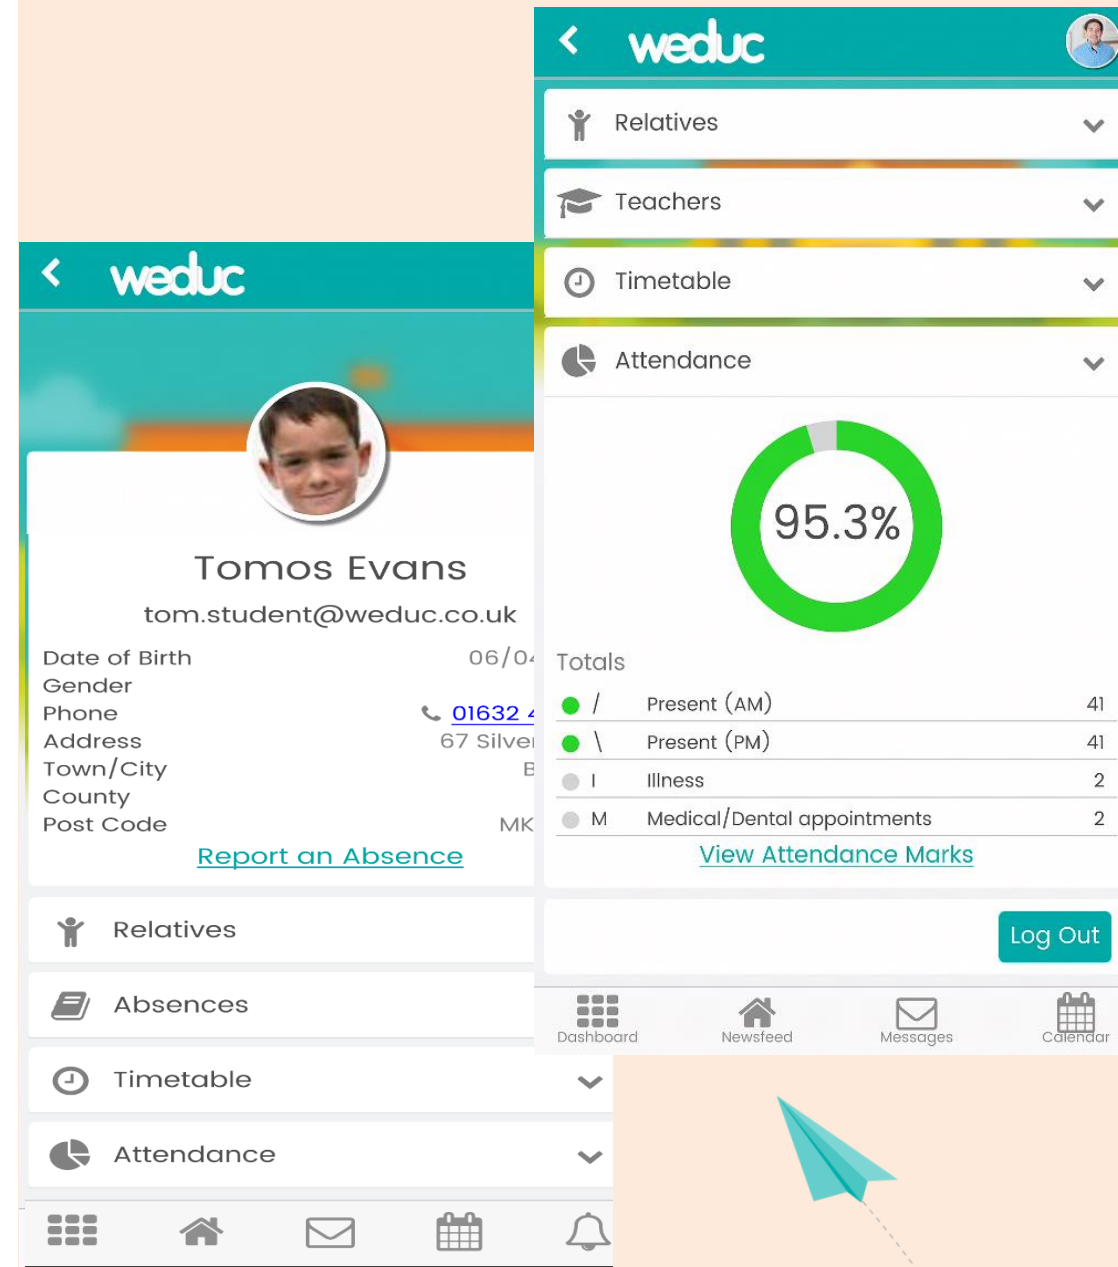

View your child's attendance & other key statistics around their learning.

Report your child absent.

“

Make sure your contact info is accurate and compare your child's attendance against the school average.

”

Main Features

Forms...

Want to inform your school about a change?

Easily complete forms for any circumstance.

“No more remembering to complete a form and bring it in to school the next day”

The screenshot displays the 'weduc' mobile application interface. At the top, a teal header bar contains a back arrow and the 'weduc' logo. Below this, the title 'Change of Address Form' is visible. The main content area is titled 'Student/s Details' and includes the following sections:

- Student Name:** A text input field with a '1000 char' character limit.
- Sibling at School?:** Two radio button options: 'Yes (If Yes, list below)' and 'No'.
- Sibling Names (if applicable):** A text input field with a '10000 char' character limit.
- Year Group/s:** Two checkboxes for 'Year 1' and 'Year 2'.

A dark blue sidebar menu is overlaid on the right side of the screen, listing the following options with corresponding icons:

- Newsfeed
- Calendar
- Messages
- Notices
- Forms
- Digital Library
- The Hub
- User Profile

At the bottom of the app, a navigation bar features four icons: a grid for 'Dashboard', a house for 'Newsfeed', an envelope for 'Messages', and a calendar for 'Calendar'.
