

Mundy CofE Juniors - Year 3 & 4 Home Learning - Autumn 1 2026-2027

TO DO WEEKLY: Please tick EACH time you complete a task	14 th September	21 st September	28 th September	5 th October	12 th October	19 th October	Our SCHOOL HOME LEARNING WEBPAGE:
Reading to an adult Fill in your Bookmark Book Log							https://www.mundyjunior.org/home-learning-reading-spellings-and-times-tables/ Open the Mundy Junior home learning webpage and look at the Y3 & 4 Home Learning Zone (at the bottom of the webpage) to view any of the resources or 'weblinks' that you need to complete your home learning. You can also find lots of other useful information on the Mundy Junior home learning webpage. 
Spelling Practise Super Spelling Booklet Set of 5 words							
Please look at the following activities and complete as many as you can in your Home Learning book (you can also make a note in your book whenever you have practised too) Tick each time you complete a task 😊							
English				Tick	Maths		Tick
Travel back in time and discover the world of the Ancient Maya! Read the Ancient Maya Reading Challenge and answer the questions on the sheet or in your Home Learning book . Remember to look back at the text to find evidence for your answers. Extra challenge: Can you explain one thing you found particularly interesting and why?					Practice your times tables on Times Tables Rock Stars (TTRS): ttrockstars.com In your Home Learning book , note when you practiced. Year 4s, it is coming close to your MTC so please make sure you are playing on Soundcheck as much as possible and checking out when you need to do a GIG!		
Deep in the rainforest, you discover an Ancient Maya temple that has been hidden for hundreds of years... What happens next? Complete the Mysterious Maya Temple Writing Challenge by describing your discovery and continuing the story. Think carefully about the sights, sounds and atmosphere as your character approaches the temple. Try to include powerful adjectives, expanded noun phrases, fronted adverbials and correctly punctuated speech where appropriate.					Our focus in maths first this term is developing confidence with place value up to 1,000 . Work through the Place Value Home Learning activities to practise identifying hundreds, tens and ones , representing numbers using Base 10 and place value counters, and partitioning numbers into their different values. Use the pictures and representations to help you, and remember to explain your thinking whenever a question asks why .		
Imagine that you have travelled back in time and are living in an Ancient Maya city . Use the A Day in the Life of a Maya Child information sheet to help you write a diary entry describing your day. Think about where you live, what you eat, the jobs you complete and what you might see around you. Remember to write in first person and organise your ideas into clear sentences. Extra challenge: Include fronted adverbials, conjunctions and descriptions of your character's thoughts and feelings.					After we've had a chance to gain confidence with Place Value, we'll be working on confidence with addition and subtraction . Work through the Addition and Subtraction Home Learning activities to practise adding and subtracting 1s, 10s, 100s and 1,000s , spotting connections between calculations, and adding and subtracting numbers with different numbers of digits.
